

Compatible Graco Tip Guard Systems

Your tip guard determines which tips fit your sprayer:

- RAC 5 / Titan SC-6 (Standard Barrel) — Orange guard. Accepts standard, fine finish, and line striper tips.
- RAC X (Large Barrel) — Blue guard, 7/8" G thread. 50% longer tip life. Accepts large barrel and Fine Finish Low Pressure tips.
- XHD (Heavy-Duty) — Gray guard, rated to 7,250 PSI. Required for high pressure tips.

Each product listing specifies guard compatibility. Always confirm your guard type before ordering.
