

Choosing the Right Spray Tip Type

Bedford carries direct-fit replacements for every major Graco spray tip series.

Tip Type	Replaces	Guard	Best For	Pressure	Key Advantage
Standard	Graco 286-series	RAC 5 / SC-6	General purpose — walls, exteriors, fences, decks	Up to 5,000 PSI	Most versatile; widest size range
Fine Finish	Graco 671-series	RAC 5 / SC-6	Cabinets, furniture, trim, doors	Up to 5,000 PSI	Finer atomization, lower overspray
Large Barrel	Graco LTX-series	RAC X	High-volume production — walls, ceilings	Up to 5,000 PSI	50% longer fan life; higher flow
Fine Finish Low Pressure	Graco FFLP-series	RAC X	Fine finish at reduced pressure	Up to 5,000 PSI	Spray at half pressure with half the overspray
High Pressure	Graco XHD-series	XHD	Elastomerics, epoxies, block fillers	Up to 7,250 PSI	Extreme high-pressure industrial
Line Striper	Graco LL5-series	RAC 5	Parking lots, roads, fields	Up to 5,000 PSI	Sharp, consistent line edges
